

Mission:

Inspired by our love of community, we provide amazing kite festival performances, incomparable events and a dynamic fun family experience all which create a sense of discovery and community.

We help people, families, and communities take flight.

The largest and most spectacular kite displays in North America.

Many of the kites we fly are over 150 feet long! Our largest kite is nearly 3 stories tall and 200 feet long. Truly amazing to see.

Call today to see just how we can help your community take flight

AMERICAS LARGEST AND MOST AMAZING GIANT KITES

About Us

Great American Kites & Events specializes in producing, planning, and managing the most astonishing outdoor giant kite displays, festivals, and colorful community entertainment programs. We have over 15 years of amazing giant kite flying festivals, unique aerial displays, and magical once in a lifetime experiences all through the wonder of kites. Our displays will create incredible memories for people of all ages.

Kites and Banner displays of all shapes and sizes are included in events and festivals.

Great American Kites offers some of the worlds largest kite displays for community events.
